

Juniper Close, Biggin Hill – London Borough of Bromley

In March 2007, Linden Homes submitted a planning application for 60 houses on a 1.8 hectare greenfield site on Green Belt land to the rear of Juniper Close in Biggin Hill (London Borough of Bromley). The site is remote from public transport and access would be via a quiet residential area.

On June 7th 2007 the application was refused by the London Borough of Bromley. We expect Linden Homes will appeal against this decision, and will update the website when we have more information.

Planning application reference number: 07/01058: Juniper Close - land at rear of numbers 1 to 10.
